## Apprenticeship Toy Drive Competition!

### Participating Training Centers!

Laborers, IBEW, Ironworkers, IUPAT, Sheet Metal,  
Carpenters, UA290, Cement Masons & IUOE

### A Friendly Competition to Serve Children of Union Families in Need

Regional Union training centers have come together this November to raise much needed toys for children of Union families going through hardship. All toys raised will be distributed at LCSA's Presents from Partners Holiday Day of Giving this December.

The training center and apprentices that raise the most toys in November receive coveted bragging rights in the NW Labor Press!
